

## SATURDAY EVENING HEADLINER

Internationally touring  
Americana Duo (Woodstock, NY)

# LARRY CAMPBELL & TERESA WILLIAMS 8PM EST

**Larry Campbell** is a talented multi-instrumentalist/songwriter/vocalist, perhaps most widely known as a member of *Bob Dylan's* tour band from 1997 to 2004. For 7 years he was also co-writer and collaborator with the Levon Helm Band, garnering 3 Grammys for Helm album productions. He was awarded the "Americana Music Association Lifetime Achievement Award for Instrumentalist" in 2008.

**Teresa Williams** is known for her warm, resonant alto and passion for roots music.

Teresa Williams is also noted for 2 roles in highly acclaimed national touring productions – as Sara Carter in "Keep on the Sunny Side" and the title role in "Always...Patsy Cline." She's been a vocalist for Emmylou Harris, Jackson Browne, and the Levon Helm Band, amongst others.

A review of their 2015 *Contraband Love* album reads: *Contraband Love* "revisits the Americana textures of the duo's debut, deftly channeling Memphis, Chicago, the Delta, and Appalachia with equal assurance. Larry's world-famous guitar work — scorching here, funky there, stellar always — punctuates the proceedings with riveting emotion, often like a third voice weighing in on a myriad of emotional states."

"The duo not only brings a lot to the table, they bring the table itself — plus the house, the still, the church, the sawdust-covered floor, and abiding, unconditional love, all carried in two voices harmonizing across hills, hollers, and porches. . . connected to a spirit that lives on in song. "
